

Dear attendee at the Rotary Summercamp Holstebro 2019

We are pleased to send you this email, as you have been registered as an attendee of the Rotary Summercamp in Holstebro, Denmark, from the 3.-17. of August 2019. We were very happy to receive your letter of application, but to be sure, that we have direct contact to you, we kindly ask you to reply to this email and thereby confirm your attendance at the camp.

To your information we have created a homepage, www.campholstebro.dk, which will regularly be updated with relevant information about activities on the camp and other practical matters. This letter will also be available on the homepage and we are hoping to have the final program for the camp on the homepage by the end of April.

The camp will hopefully have 24 attendees from different countries, so we hope that you will get a great experience at our camp and establish many new international contacts. At this moment we have 19 attendees from 14 different countries.

Some practical information:

VISA: Some of you might need a personal invitation from us for the purpose of applying for a visa to Denmark. If you need such an invitation please write an email to me, Poul Munk-Poulsen, and I will make sure to send you a personal invitation. I know that participants from Egypt need an invitation.

Arrival and departure: As it appears from the information material on the camp homepage, we can offer you to be picked up by Rotarians at either Karup or Billund airport and they will drive you to the camp location in Holstebro. If you wish to make use of this offer please write an email to Poul Munk-Poulsen with information about the airport name, arrival- and departure time and flight number. If you arrive at the Copenhagen airport there are domestic flights to both Karup and Billund airport. You can also choose to take the train to Holstebro from Copenhagen. If you inform us about the arrival time in Holstebro with the train, you will be picked up at the train station by a Rotarian.

Outdoor life: Be aware that the camp will include a canoe trip, where we will sleep in tents. Remember to bring practical clothes, including bathing suit and a towel, for this trip. We will provide you with a sleepingbag.

Accommodation: The first week you will be accommodated at our local military barracks. You will be living together in rooms with 3 beds and there will be communal bathrooms, which are divided for men and women. The second week you will be accommodated in pairs in private homes of Rotarians.

Facebook: Like our Facebookpage "Summer Camp Holstebro 2019" and be updated on the camp as we approach the time of the event.

If you have any questions about the camp please do not hesitate to contact us.

The Rotary Clubs in Holstebro are looking very much forward to be welcoming you in Holstebro in August.

Best regards,
